EDUCATION

Maharshi Dayanand University, Haryana, India
Bachelor of Technology in Computer Science Engineering

2020 - 2024
Percentage : 70

EXPERIENCE

Macco Tech
Full Stack Web Developer

December 2024 - May 2025
Remote, Gujarat

- Developed and maintained scalable web applications using **MERN Stack** (MongoDB, Express.js, React.js, Node.js) with a focus on performance and clean architecture.
- Implemented secure authentication and authorization flows using **JWT and Firebase**, enhancing app security and user management.
- Led and managed a development team, handling task planning, code reviews, mentorship, and ensuring on-time project delivery.
- Built and deployed cross-platform mobile apps using **React Native**, integrating APIs and optimizing for both Android and iOS.
- Collaborated with cross-functional teams (UI/UX, backend) to deliver fully functional, responsive, and high-quality web and mobile applications.

The ReTail Project
Full Stack Web Developer

Jan 2024 - Dec 2024
Remote, Rajasthan

- Designing and developing a full-fledged e-commerce website from scratch using **React.js and Google Firebase**.
- Optimized performance and user experience with modern UI/UX principles.

Pashuholic Foundation
Web Developer

Freelancing

- Designing and developing a full-fledged website from scratch using **React.js and SCSS**.
- Optimized performance and user experience with modern UI/UX principles.
